### Book File Details:

*Review: I purchased this book in digital format, and have enjoyed it immensely. It is FAR different in scope and detail than most other books written on the top of care of the body. The content has real depth to it, and stays away from tired cliches and generalizations. I have been on a body journey of my own for the past many years, and I have read a lot of...*

*Description: You and God - together - can have victory in your struggle with exercise, nutrition, sleep and healthy living ... spiritual health too. Scripture primarily focuses on the soul, not the body. Gods wisdom, strength, and guidance, however, extend into every facet of our lives. God cares about your fitness because your body is the temple of the Holy Spirit....*
